Welcome to our Hotel "Am Boehmepark"

Our small, family run hotel is in easy walking distance of the centre of Soltau, the Soltau Thermal Swimming facilities and the hospitals. It is adjacent to our atrractive park and Soltau itself is surrounded by a beautiful countryside.

We offer free Wi-Fi at the hotel.

Our hotel is situated close to the following attractions:

- Heide Park Soltau (5 km)
- Designer Outlet Soltau (7km)
- Golf Hof Loh (4km)
- World Bird Park Walsrode (20km)
- Serengeti Park Hodenhagen (35km)

In case you enjoy hiking the European Hiking Trail E1 and the well liked Heidschnuckenweg (sometimes passing a herd of our woolly sheep) and also the famous Jakobs Way Lüneburger Heide lead straight past the hotel.

In this area going for longer or shorter cycle rides is very popular due to our sign posted tours taking you into our varied (and mainly flat!) countryside. There is also a free shuttle service during the summer months.

If you feel like going further afield Hamburg, Bremen, Lüneburg, Celle or the large orchard area south of Hamburg (beautiful in Spring) are all well worth a visit.

We also welcome visitors who are travelling past Soltau and only want to stay for one night, or are attending a fair in Hannover.

For whatever reason you decide to stay here, we would like you to feel welcome and hope you enjoy your stay.

Pets are not allowed.
